

4 THINGS YOUR BOAT MUST HAVE BEFORE LAUNCHING IN THE LAKE

- **Tether. NO WATERCRAFT MAY BE LAUNCHED WITHOUT A TETHER.** If it doesn't have a tether, it doesn't go in.
- **Valid Nebraska State Watercraft decals.** Decals containing the letters and numbers on the owners valid NE registration form need to be affixed to your watercraft as follows:
 - Decals shall be placed on both sides of the forward half of the vessel, reading left to Right in one horizontal plane

- **Thomas Lake ID.** Boat owners will need to affix decals to their vessel which indicate the first initial of the owners last name and their 3 digit Thomas Lake address. (for example: if your last name is Brown and you live at 123 Lakeshore Circle, you would have the following decal on your watercraft: B123)
- **Current Year Thomas Lake Sticker.** The oval sticker with the current year indicated. Both the Thomas Lake ID decals and the current year oval TL sticker should be located on the Starboard (Right side operator facing forward) Side - back half of vessel
